GRRREAT VALUE BOOTS FROM MAGNUM

## FIT FOR PURPOSE. BUILT FOR COMFORT

(see page 30 for more from MAGNUM)

100%  
WATERPROOF

### SITE MAX CT CP SZ WP

Site Max work safety boot is 100% waterproof and features the MAG-DRY bootie membrane, ensuring dryness even in the wettest conditions. Crafted from durable full grain leather, this boot embodies exceptional quality. The lightweight composite toecap offers reliable protection without compromising on comfort. These boots provide long-lasting comfort and superior shock absorption, making them ideal for demanding work environments.

Certified to AU standard 2210.3:2019 SB P HRO E FO WR SRC.

- 100% waterproof
- YKK heavy duty medial side zipper toecap access
- Stitched TPU toe bumper and heel counter
- Lightweight composite toecap
- PU high density midsole and PU insole
- High traction rubber outsole with ladder grip
- Heat resistant outsole to 300°C
- Electrical hazard resistant
- Weight: 1800 grams a pair (in size US9)

## FALL & ARREST HARNESSSES

The image displays two types of safety harnesses. On the left is a full-body harness, which includes a chest strap, a waist belt, and leg straps. On the right is a seat harness, which is designed to be worn over a seat and includes a chest strap and a waist belt. Both harnesses are shown on a white mannequin torso.

The image displays two types of safety harnesses on mannequins. On the left is a full-body harness, which includes leg straps and a waist strap in addition to the chest straps. On the right is a chest harness, which only includes straps for the chest and shoulders. Both harnesses are blue with yellow accents and have a central D-ring for attachment.

## Two types of safety harnesses are shown on mannequins. The one on the left is a full-body harness with blue and yellow straps. The one on the right is a similar harness but with a different strap configuration, also in blue and yellow. Both harnesses have a central D-ring for attachment.

# MATTHEWS PRODUCTS

A small sample of products from MATTHEWS Packaging & Hygiene. MATTHEWS provides a comprehensive range of operational & facility products for retail, commercial & industrial use. Quality products, quality service.

	<b>HAND STRETCH FILM 15 MICRON</b> This premium grade hand stretch film is a 15 micron top grade film. It offers excellent value and superior strength when compared with conventional stretch film. This premium grade film offers reduced application noise, no pallet sticking and high clarity. Ideal for use in warehouses that require pallet wrapping on a daily basis with a roll size of 500mm wide by 400m long. <b>CLEAR   500mm x 400m x 15mu   WMPH8040</b>	<b>\$18.50</b> +GST
	<b>MACHINE STRETCH FILM 20 MICRON</b> Premium grade film allows you to achieve an optimum containment force to keep your shipment safe. Its holding strength can sustain punctures, where any perforation on the film will not lead to further tearing. Packaging costs per pallet can also be reduced significantly without the need for more film due to its structural toughness and ability to be stretched up to 350%. <b>CLEAR   500mm x 1630m x 20mu   WMPH9220</b>	<b>\$85.00</b> +GST
	<b>ELECTRICAL INSULATION TAPE</b> Electrical insulation tape constructed of high tensile strength PVC is designed for general electrical use. Tape is both cold and sunlight resistant, and flame retardant, with an operating temperature between 0 to 80°C. For electrical use up to 600V and available in a range of colours for clear identification. <b>BLACK   18mm x 20m x 180mu   WMPH13440</b>	<b>\$2.30</b> +GST
	<b>RECYCLED BIN LINERS 60L</b> Recycled rubbish bin liners combine puncture strength and versatility to provide reliable, economical protection against leaking and odours. These bags are produced from post consumer plastic, which is then recycled and made into new bags. Recycled bin liners are the most cost effective as they reduce environmental impact, save energy and preserve natural resources. <b>BLACK   500 BAGS PER BOX   660mm x 900m x 20mu   WMPH9220</b>	<b>\$24.00</b> +GST
	<b>ANTIBACTERIAL WIPES</b> Antibacterial wavy wipes are hygienic and highly absorbent. Dispensed on a perforated roll for convenience, they are reusable and machine washable. These wipes are made from an extra strong 80gsm, 70% viscose, 30% polyester mix. Available in five different colours to prevent cross contamination. <b>BLUE   300mm x 500m x 90 SHEETS   WMPH27370</b>	<b>\$13.25</b> +GST
	<b>NON FRAGRANCED FOAMING SOAP</b> Antibacterial foaming hand soap produces a non fragranced, fast foaming concentrated lather for effective cleaning. With powerful anti microbial agents to assist in reducing harmful pathogens on hands. <b>CLEAR   5 LITRE BOTTLE   WMPH28050</b>	<b>\$23.95</b> +GST
	<b>NON FRAGRANCED DISHWASHING LIQUID</b> A gentle yet effective non fragranced dishwashing liquid, perfect for sensitive skin and environments where fragrance is not desired. It cuts through grease and grime while being kind to your hands, offering a reliable and straightforward cleaning solution for all your dishwashing needs. <b>GOLD   5 LITRE BOTTLE   WMPH28100</b>	<b>\$33.00</b> +GST
	<b>SLIMFOLD PAPER TOWELS</b> Slimfold paper towels are a standard, durable wiping solution for general use. Ideal for all cleaning requirements, quickly and easily cleaning all messes from food to liquid spills. These towels are certified which ensures you are making a sustainable paper choice. Available in a 1 ply or 2 ply thickness, in white or blue to remain visible when in contact with liquid. <b>WHITE   4000 SHEETS PER BOX - 1 PLY   230mm x 230mm   WMPH27110</b>	<b>\$67.00</b> +GST
	<b>LUXURY WRAPPED TOILET TISSUE</b> Luxury wrapped toilet tissue is a luxurious, soft and absorbent tissue, designed for high end office or hospitality use. Embossed for a classy lasting impression and individually wrapped in stylish packaging. These rolls are certified which ensures you are making a sustainable paper choice. <b>WHITE   48 ROLLS PER BOX - 3 PLY   WMPH27240</b>	<b>\$57.50</b> +GST
	<b>RECYCLED JUMBO TOILET TISSUE</b> Recycled jumbo toilet tissue is a great, environmentally friendly, economical choice for your toilet paper needs. Made from 100% certified recycled tissue, the absorbent tissue is a great option for traffic bathrooms. It contains no dyes, inks or chlorine and is sold in a sleeve of 8 rolls of non perforated toilet tissue. <b>WHITE   8 ROLLS PER BOX - 2 PLY   300m   WMPH27255</b>	<b>\$42.00</b> +GST
