

Our suppliers have been increasing their prices lately and it has got to the point where we can no longer absorb these increases ourselves. We have reviewed and adjusted our pricing and this may affect you. Please contact your PACCON rep or our office regarding any pricing questions you may have. Thanks for your understanding.
 Our winter catalogue is out now, visit our website, www.pacconsafety.com for your pdf copy.

HAND STRETCH FILM 15 MICRON

This premium grade hand stretch film is a 15 micron top grade film. Excellent value and superior strength when compared with conventional stretch film. This premium grade film offers reduced application noise, no pallet sticking and high clarity. Ideal for use in warehouses that require pallet wrapping on a daily basis with a roll size of 500mm wide by 400m long.

CLEAR | 500mm x 400m x 15mu | WMPH8040

\$18.50
+GST

MACHINE STRETCH FILM 20 MICRON

Premium grade film allows you to achieve an optimum containment force to keep your shipment safe. Its holding strength can sustain punctures, where any perforation on the film will not lead to further tearing. Packaging costs per pallet can also be reduced significantly without the need for more film due to its structural toughness and ability to be stretched up to 350%.

CLEAR | 500mm x 1630m x 20mu | WMPH9220
